

UPDATE ON NEW AND  
PROVEN LIMOUSIN &  
CHAROLAIS SIREs

2020

## LIMOUSIN

**LM5608 NOOB**

Noob is a new exciting sire purchased in France from the same herd as Rocky ROX. This is an exceptional shapy bull, he is for the suckler market both weanling and finishing. He is a complete outcross with little knowledge of his bloodline in Ireland & ICBF. Bull for shape.

**LM5422 CREGGPARK MARCUS**

A complete bull high in both terminal and maternal traits. Marcus was selected by the Limousin Gene Ireland committee for entry into the programme. He boasts an exceptional sire stack of proven sires – Ampertaine Commander, Goldies Terence, Ronick Hawk and Eleazer.

## LIMOUSIN

**LM5596 NESSY Pp**

A heterozygous polled bull he has an easy calving pedigree.

**PROVEN**

**LM2065 CASIMIR 65**

Proven terminal sire, average calving with excellent weight and shape.  
5 Star Terminal €136 - +30.6Kg Carcass 95% Rel & 2.31 Carcass  
conformation; 5.1% beef cow calving

## CHAROLAIS

**CH6175 NERON Pp**

NERON is a new exciting sire purchased from a performance centre in France where he outperformed his contemporaries. This is an exceptional, powerful, long and shapely bull. He is for the suckler market both weanling and finishing. He is a complete outcross with little knowledge of his bloodline in Ireland & ICBF. He is heterozygous polled Pp. Bull for shape and weight.

**CH5482 DEMON PP**

Demon is the first homozygous polled Charolais bull that is widely available to both commercial and pedigree herdowners. All of the calves will be polled. Complete outcross sire.

# CHAROLAIS

PROVEN

**FWO FLEETWOOD**

Proven Superstar. Extremely consistent in his production. Breed average for calving with phenomenal weight for age and conformation. Very versatile and high satisfaction sire works well on most cow types.

PROVEN

**CH4251 GOLDSTAR LUDWIG**

Exceptional sire to produce stylish and correct weanlings and finished cattle.

PROVEN

**CH4252 CAVELANDS LEVI**

Exceptional sire for mature cows to produce powerful, long weanlings and finished cattle.

PROVEN

**CH4321 LAPON**

Easy calving sire, similar calving difficulty as Cavellands Fenian LZP with extra power and weight gain.
