PEACE OF MIND**

SELECTION OF ELITE GENOMIC TEST SIRES

11,000

Pedigree Beef Bull Calves Genotyped

Geneticists identify the top
600 with superior genetics
for key traits

Sire Analysts select
the best **200**
(Based on pedigree &
performance)

100 of the best selected
based visual inspection
(Evaluation of conformation,
temperament, functionality &
reproductive soundness)

35 selected for high fertility
semen
(Having passed all health &
genetic defect tests)

TESTING OF ELITE GENOMIC TEST SIRES

35

Bulls Tested through Gene Ireland

*Year 1: Semen used in 100s
of herds. Semen is limited until
field fertility is confirmed*

Key Data Recorded:

- Insem. date
- Calving Difficulty
- Birth size & weight
- Calf vigor & any defects

*Our team assess calf quality,
saleability @ 3 weeks, ability
to suck/ drink, colour & any
defects*

IDENTIFICATION OF RISING STARS

25

Best Sires

Selected based on superior
performance for:

Field Fertility

Highest Conception Rates
(Independently verified by
ICBF)

QUALIFICATION OF PROVEN SIRES

20

Sires Selected for Widespread Use

- Superior Field Fertility
- Highest conception rates
based on calves born
(Independently verified
by ICBF)
- Calving ease & gestation
length (90% + reliability)
- Calf quality, vigour at birth,
colour & saleability at 3 weeks

QUALIFICATION OF PROVEN PREMIUM SIRES

10

Bulls Qualify to Proven Premium

Validated with 100's of calving
and field fertility records.
These are the cream of the
crop, balanced sires, superior
in all commercially important
traits with huge farmer
satisfaction

**NCBC has the greatest range
of superior proven sires for
calving, beef & semen fertility
across all breeds**

EXCEPTIONAL GENETICS. PROVEN PERFORMANCE. UNMATCHED PEACE OF MIND.

Segmentation of Sires

Easy to use Sire Classification Guide.

When making key decisions for your herd for 2025, it is important to distinguish the difference between sires. At a glance, our easy to use sire classification guide helps you understand what you will receive when you chose an NCBC sire.

The guide helps you navigate sometimes complex information from genomics, to fertility, to reliability, to performance.

ELITE GENOMIC TEST SIRES	RISING STARS	PROVEN SIRES	PROVEN PREMIUM SIRES
